

Advance Sweeper

Advance Sweeper Parts - Think about how long and tiresome it would actually be to clean-up right after a party, with no help from machines. Not too long ago, the dirt from upholstery and carpets had to be beat out of them manually; brushes, cleaning cloths and brooms were the leading cleaning products back then.

The founder of Nilfisk-Advance, P.A. Fisker, started as an electrical engineer who liked to work on electrical motors. After establishing his company in the year 1906, he began to produce motors to drive machine tools, drills, coffee grinders and fans. Mr. Fisker's dream from the beginning was to own an international company selling goods internationally.

The Nilfisk C1 was a revolutionary breakthrough in the cleaning business. Mr. Fisker invented a incredible, ground breaking vacuum cleaner which could be operated by a single person since it just weighed 17.5 kilos! This invention came in a time where other cleaning machines were massive and needed at least 4 operators, thus, the Nilfisk C1 transformed everything and evolved the manner we clean forever. The brain behind these very first cleaning equipment remains unparalleled. Cleaning machines provide an excellent solution to an ongoing problem; stuff get dirty and have to be cleaned frequently, without a lot of effort.

Gradually but steadily, Nilfisk-Advance grew through the years. In the 1980s, this development truly took place the time the business became a part of the NKT Group. Their new owners' drive and focus made Nilfisk-Advance take a huge leap ahead within the industry, trying to be one of the biggest international players in the market of professional cleaning equipment. Nilfisk-Advance is presently located in all parts of the globe due to steadily obtaining a lot of small businesses so as to expand their product selection and presence in new markets. They are proud to offer different cleaning solutions to meet each and every requirement.
