

American Lincoln Sweeper Parts

Presently linked with Nilfisk Advance Industrial Group, American Lincoln specializes in industrial floor cleaning equipment. In the industry they are known within the business as providing durable and strong machinery that meets the requirements of larger infrastructure and heavy industry. American made products; the sales are conducted nation- wide via national accounts, authorized distributors and direct Government sales.

The Clark Company, of Nilfisk Advance, and American Lincoln share the battery operated walk behind version of floor scrubber. Clark has their manufacturing facilities in Springdale Arkansas. These scrubbers are obtainable in the market under the trade mark name "Encore". American Lincoln has the ability to supply components, warranty service and equipment for these scrubbers which carry both the Clarke and Encore logos.

The 7765 floor scrubber model is the choice machine of big distribution centers like for example Wal-Mart and Target. The 7765 line has earned the respect of various facility managers where results and efficiency make a difference. Recently, this floor scrubber model has been used by the architects in new construction projects such as Lowes Home Improvement Stores and Home Depot's. Flooring contractors use this sweeper scrubber on site due to the model's high standard of quality and supreme performance level for polishing concrete.
