

American Lincoln Scrubber Parts

The American Lincoln division is presently linked with the Nilfisk Advance Industrial Group in Plymouth, MN, USA. They specialize in floor cleaning machinery which are known in the business as strong and durable machines which meets the needs of larger infrastructure and heavy industry. American made products; the sales are conducted nation- wide through direct Government sales, national accounts, and authorized distributors.

American Lincoln shares the battery-operated walk behind version of floor scrubber together with the Clarke Company who is now likewise owned by Nilfisk Advance. Their manufacturing operations are mainly based in Springdale Arkansas. These scrubbers are accessible in the market under the brand name "Encore". American Lincoln has the ability to provide machines, parts and warranty service for these scrubbers that carry both the Clarke and Encore logos.

Distributed in Target and Wal-Mart distribution centers, the 7765 floor scrubber model is the highest selling floor scrubber in American Lincoln's line and the 7765 has become a trusted model for many facility supervisors where results and efficiency matter. Recently, this particular floor scrubber model has been requested by the architects in various construction jobs like for example Home Depot's and Lowes Home Improvement Stores. Flooring contractors make use of this particular sweeper scrubber on site due to the model's excellent quality and supreme performance level for polishing concrete.
